Hi Kate,

Unfortunately I won't be able to make it to the event in Newport. Hope it goes well!

All the best,

Haley

Hi Kate,

Thanks for the info -- apologies for the delayed reply.

I am not yet sure if I can make it, but I'll let you know ASAP.

Also, are there SRF investments in Newport, or will the event still be highlighting the investments for Derby Line (but held in Newport)?

Thanks,

Haley

Great just a heads up -

The event is being moved to Newport Vermont, which will work well with the Governor's Capitol for the Day events. We are still working on a media advisory, but will send around something when we have it.

Thanks again!

Hi All-

For speakers we would have

Who:

Governor Phil Scott

Regional Administrator Alexandra Dunn, U.S. EPA

Secretary Julie Moore, Vermont Agency of Natural Resources

Tom Berry, Senator Patrick Leahy's Office

George Twigg – Congressman Peter Welch's Office

Let me know if you, or someone from your office is able to make it. We should have a final advisory tomorrow.

Thanks!

Absolutely the waiver is being included in briefing materials! I think it was one of the first issues Alex worked with you on Tom.

I'm waiting to hear back from VT on the media advisory and suggested speakers, so as soon as I have an answer I'll circle back with everyone.

Thank you!

Which Tom is being very modest about, as his shop was very active on helping with that piece.

Are we invited to attend? I may be able to make it. Should be lovely up there this time of year.

I'm sure EPA staff are on this aspect of it, but for briefings be aware of the waiver on American Made materials that was needed for the bi-national aspect of the project to move forward.

Hi Kate, thanks for the heads up. I'll let you know if I will be able to make it, and will be looking out for the media advisory. I assume congressional staff would have a chance to offer brief remarks? Thanks, George

Good Afternoon –

RA Dunn will be participating in an event with Governor Scott on Tuesday October 9th at 10am at the Derby Line Site.

They will be announcing this year's SRF money for Vermont, highlighting the work done at Derby Line through previous years of SRF funding.

I'll make sure to get your offices the media advisory when we have it!

Let me know if you have any questions

Thank you!
